Job Posting

Requisition #: **11-161**

Job Title: **Nurse Case Manager, Level I**

Posting Dates: **Apply Before 02/09/11**

Suggested Hiring

Range: \$51,463 - \$64,329*

Career Band: B

Job Description: The Nurse Case Manager assumes the overall accountability for the development of the patient plan of care and coordination of care with

the member, the physician, and family members as appropriate. This individual assumes a leadership role in negotiating, procuring, and coordinating the member's benefits to obtain required resources on behalf of the patient.

Requirements: **Required:** This position requires an active RN license from the State of Delaware or multi state license from a participating state. A minimum of 3 years experience in an acute care setting, medical/surgical or intensive care experience and at least 1 year clinical experience in community/home health care, case management, or related specialty field, and equivalent experience performing discharge planning. Applicants are expected to obtain certification in case management within three years of employment.

Abilities/Skills: Excellent analytical and problem solving skills are required in order to judge the medical necessity and appropriateness of patient services and treatments on a case-by-case basis. A working knowledge of current standard of medical practice and insurance benefit structures to negotiate medical review decisions and interpret contract benefits and managed care guidelines. A working knowledge of Case Management process, standards, and understanding of managed care in the Indemnity, Commercial HMO and government lines of business. Basic data entry and word processing computer skills required.

Preferred: BSN and/or CMC preferred. Prior experience using case management software preferred.

Please apply on-line by visiting www.bcbsde.com and select Explore Career Opportunities link.
